Dear Parents/Carers,

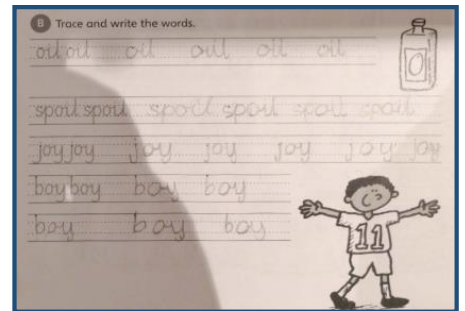

We hope you are all keeping well during these trying times and that you are managing to get safely outdoors for exercise and fresh air. As you will be aware, the school is open from Monday, May 11th, pending any new government directives that may change this plan. Please be advised that The Willows Academy makes no recommendation that children return at this time, as we have yet to receive guidance on social distancing measures for school and how we might plan all the children learning safely in the confines of the school. We will of course, do all we can to provide a safe learning space, however at the best of times, schools are notorious places for the spread of micro-organisms, so we cannot guarantee that Covid-19 will not again raise its head.

On a happier note, we thought we would share a few bits of learning that has been sent back to us from some children and look forward to seeing more from you. Stay safe.

Jake sent us this great maths join-the-dots train.

Word of the week:
Congratulate
 Wish someone good wishes on something special that has happened.

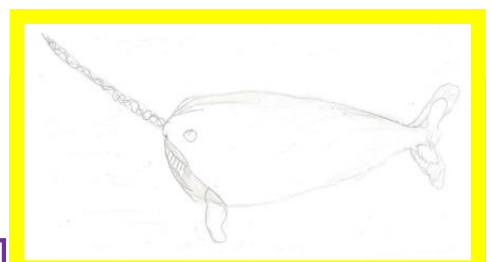

Again, well done Jake for this amazing handwriting.

Ruvaid has been showing his support for the NHS during lockdown.

We will send another newsletter out next week. Until then, stay safe and best wishes.

Jack is learning about crazy animals, like the narwhale he has drawn.
