Dear Parents/Carers,

Welcome to Summer Term 2! We hope everyone is keeping safe and well during these difficult and unusual times. The Willows is open and has welcomed back pupils for learning in social bubbles. We have received guidance on social distancing measures for school and how we can plan for all the children learning safely in the confines of the school. We will of course, do all we can to provide a safe learning space, however at the best of times, schools are notorious places for the spread of micro-organisms, so we cannot guarantee that Covid-19 will not again raise its head. We are eagerly awaiting our gazebos to assist us in creating a safe outdoor learning environment. For those of you wishing to keep you children at home, learning packs and school lunch vouchers will continue to be sent out. We will continue to call all our parents to check in and provide support where we can.

Well Done to Aiden who did some fantastic pyrographing artwork at home!

WORD
of the
WEEK

monstrous
frightful or hideous in appearance
e.g. The creature was monstrous, with sharp claws and fiery breath.

Chip has been trying hard with his handwriting this week and is enjoying the new social grouping bubbles!

The Willows Academy Trust Website
Remember to use the school website for safe learning activities for children. You can find government information and guidance about the virus under the Covid-19 tab. We also have a great Home Learning Zone where you can find lots of information to help structure your day at home.

If your child is returning to school please remember to provide a packed lunch and snack!

Diesel, Amir and Casey practiced Speech and Language through Bingo!

We are keeping safe outside on our new bikes!
